| HOUSE PART | Descriptive Color (Not official Benjamin Moore color title) | Discontinued Duron Historic Colors (DRB Approval through builder) | Benjamin Moore Replacement Colors (DRB Approval 3/30 1999) | Color Chip from Benjamin Moore Color Selector | James Hardie "HardiePlank" Fiber Cement Siding Pre-Painted Colors (DRB Approval 9/2008) | Certainteed Fiber Cement Siding Pre-Painted Colors (DRB Approval 9/2008) | Color Restrictions and Notes |
|-------------|---|---|--|---|---|--|--|
| SIDING | Light Gray | Stonegate | 1551 La Paloma Gray | | no approved color | Silver Plate | 1. No two adjacent houses may have the exact same colors 2. Same color siding with different trim, front door or shutters is OK 3. Changes from existing house colors requires Reston DRB approval 4. Changes from existing house colors, within approved palette, can use DRB EZ process 5. Existing discontinued Duron colors may be used indefinitely, but are not generally available. Custom computer color matching using Reston Association paint chips on file is an option 6. Color changes from existing house colors may only use Benjamin Moore Colors or approved HardiePlank or Cemplank substitutes 7. Fiber cement siding primed for painting in all approved colors is available from Cemboard ("Cemplank"), CertainTeed (Fiber Cement Siding) or James Hardie (HardiePlank) subject to other Reston DRB stipulations that may be in place. |
